raffinesse

The sensuous seduction

An extensive collection of tableware made of Duracream[®], a hard porcelain in a cream hue, *Raffinesse* sets the mood for exceptional food. Its soft, graceful lines with extravagant details inspired by nature distinguish the collection. Its silken surface shimmers seductively, conjuring a sublime effect. This combination and the numerous items to choose from underscore the upscale gastronome's own signature style. And in this way *Raffinesse* makes it possible to spoil every guest with sumptuous settings tailored specifically to him.

Design: Annette Lang, 2004

THE PORCELAIN OF TOMORROW – SINCE 1881

The unconventional design enriches every table setting, for example, with diamond-shaped flatware, handles inspired by the shapes of leaves, and decorative elements reminiscent of buds. This sense of soft, feminine harmony pervades the entire collection.

More substance than semblance.

Circular, square, and diamond-shaped elements such as plates and bowls in matching sizes and shapes may be combined in countless ways to create captivating arrangements.

*Raffinesse never fails to surprise and delight with wonderful features. Timeless décor, table accessories rich in exquisite details, and so many possibilities for creating striking combinations with the likewise cream-colored *Silhouette* collection (see digital collection flyer *Silhouette*).*

Décor: Doré. Further Raffinesse décor options are featured in the décor and articles overview on pages 5-6

Ambitious energy savings achieved by our employees have been recognized with the 2008 Energy Efficiency Award and the 2010 Energy Prize of the City of Weiden. For Bauscher, sustained success also means guaranteeing safety in the workplace and fair treatment of employees.

Exceptional design that bears your personal hallmark.

Bauscher porcelain features a perfect balance between design and function. Renowned designers produce the creative form language of each collection. The carefully thought-out food presentation concepts are used in the international hotel and catering industry just as in hospitals, company cafeterias, cruise ships, and trains. With high-quality porcelain from Bauscher, your company not only demonstrates the finesse of your cuisine but also reveals a part of your personality. An individual décor provides for an unmistakable identity. Our atelier would be pleased to develop a design completely tailored to your needs. You can choose a décor from our standard range or you can add a personal touch by using your logo. Bauscher's décors are extremely durable: By using high firing temperatures, the décor pictures sink deeply into the glaze melting together. They are protected permanently, hygienically impeccable, and dishwasher-proof.
