Classic style meets tradition

The porcelain with the characteristic cross pattern has the richest tradition in the Bauscher range. Since 1911, this collection has been a star performer in high-class establishments and has lost none of its radiance to date. The relief pattern typical of *Stuttgart* combines neo-classical elements and Biedermeier style and is an elegant adornment for flatware and hollow-ware. **Design: Atelier Bauscher, 1911**

THE PORCELAIN OF TOMORROW – SINCE 1881

Elegance, perfectly served

The extensive classical collection exudes the elegant flair of the early 20th century. Wherever it is used, the special charm of the *Stuttgart* range provides a refined setting for a festive menu.

With *Stuttgart*, Bauscher demonstrated for the first time that exquisite porcelain design and maximum functionality need not be at odds. And this still holds true today. Now, as in the past, the various pieces from the *Stuttgart* collection, like other Bauscher products, are stackable, break-resistant, and easy to handle.
