A UNIQUE LOOK FOR INDIVIDUALISTS

Individuality and natural authenticity are the key features of POTTERY. The decors on the large plates, platters and delicate dishes give them the look and feel of ceramic surfaces. Vibrant shades meet natural colours, lending the porcelain an entirely new, natural aesthetic whereby the consistently hand-made look makes each piece unique. POTTERY thus provides creative scope for the attractive presentation of food – from Asian to bistro. Naturally, the entire POTTERY range with its ceramic look features the accustomed high quality of hard porcelain inclusive of dishwasher-safe underglaze decor.

MISES EN SCENE UNIQUES

POTTERY célèbre l'individualité et l'authenticité. Les décors des larges assiettes, des plats et des délicates coupelles ressemblent à des surfaces céramiques. Des tons vifs rencontrent des couleurs neutres et confèrent à la porcelaine une nouvelle esthétique naturelle. L'aspect résolument artisanal fait de chaque article une pièce unique. POTTERY offre ainsi un espace créatif pour la présentation élégante de plats variés, allant de mets asiatiques à des menus de type bistrot. Bien sûr, l'ensemble de l'assortiment de POTTERY au look céramique offre le même degré de qualité que notre porcelaine dure avec des décors sous l'émail résistants au lave-vaisselle.

PROTAGONISTI DI SPESSORE PER PRESENTAZIONI STRAORDINARIE

Individualità e originalità sono i tratti distintivi di POTTERY. I decori sulle ampie superfici dei piatti e delle raffinate ciotole rendono l'assortimento attraente e piacevole al tatto. Le linee decise sfumano nei colori freschi e conferiscono alla porcellana un aspetto incredibilmente naturale. La sapiente mano artigianale rende ogni articolo un pezzo unico nel suo genere. POTTERY lascia ampio spazio alla creatività, per presentare le pietanze in modo gradevole: dalle ricette asiatiche ai piatti da bistrot. Ovviamente gli oggetti dell'intero assortimento POTTERY hanno tutte le caratteristiche di elevata qualità della porcellana dura, inclusi i decori sottosmalto inalterabili in lavastoviglie.

DECORACIONES ÚNICAS PARA INDIVIDUALISTAS

La individualidad y la originalidad son la temática especial de POTTERY. Los adornos de los grandes platos, bandejas y finos cuencos convencer por su aspecto y el tacto de las superficies cerámicas. Los fuertes tonos se combinan con colores proceden de la naturaleza y confieren a la porcelana una estética natural totalmente nueva. Y con la impresión de artesanía que transmite cada artículo, este se convierte en una pieza única. POTTERY da libertad creativa para presentar comidas de forma atractiva, desde la cocina asiática hasta la típica casera. Por supuesto, toda la gama de POTTERY con su look cerámico goza del elevado nivel de calidad habitual en la porcelana dura, así como las decoraciones en esmalte resistente al lavavajillas.

CONTRAST-RICH COMBINATIONS

Three different decor concepts allow the interplay of different colours and surfaces. POTTERY UNIQUE is delicately speckled in White, Lightgrey, Darkgrey and Red. POTTERY JADE has an impressively smooth and elegant look, while the slate look of POTTERY FROSTED BLACK has a matte surface.

COMBINAISONS RICHES EN CONTRASTES

POTTERY JADE impressionne par son look lisse et élégant, tandis que POTTERY FROSTED BLACK présente une surface mate rappelant l'ardoise.

ABBINAMENTI RICCHI DI CONTRASTI
